RDP and QRE

Hello, Members,

The Regional Development Programme – RPD as we refer to it on the calendar has recently had some changes. RDP is run by Murray Frith for the state and Jeff Garner at our club. So your first point of contact if you are interested would be Jeff.

The goal for RDP is to improve technique and form of our members. The basic of archery teach us that good form means good groups and eventually good scores. So it stands to reason that working on form is a good way to start improving your scores.

The coaching sessions are 1 on 1 with either Murray or Jeff. This is a good opportunity to get help with form and gear. Both coaches have an immense amount of knowledge and will be able to help.

For Paringa the changes mean that RPD is open to everyone. You do not have to be shooting a certain distance or have a qualifying score.

Everyone is welcome to attend. The format of the day is now a Qualifying and Ranking Event – QRE in the morning and coaching in the afternoon.

You do not have to attend the QRE to attend the Coaching.

Our club is holding QREs to help members and 'Team Paringa' to prepare for the up coming state interclub competition. QREs are a good opportunity to set a goal and see how you perform in a competition setting. They are run with timing gear and scoring procedures that are slightly different to a club shoot.

The outdoor QREs will be shot the 3rd Saturday morning with 720 rounds only. Indoor QREs will be the 3rd Wednesday night of the month with a WA 18m indoor round. You can register on archers diary, with no cost.

I have been attending RPD now for some time, it is a fun day. I have learnt a lot about gear set up, tuning my bow as well as technique, form and the mental game that comes along with archery. I hope to see some new faces attending next month.

Tight Groups, Emma.

COME AND TRIES

We are looking for any members who would be willing to occasionally participate as a backup come n try team member.

The Saturday schedule is the 2nd and 4th Saturday of the month, we currently have 2 full time teams for these days but sometimes members just can't make it and instead of putting a further load on other team members to try swapping days, we would like to have a separate group of members available we could call on.

The Wednesday schedule is the 1st Wednesday from 6:30pm to 9:00pm.

Any members willing to help please send Jeff Garner your contact details and phone number. It will be up to individual come n try team members to contact relief members and make the arrangements.
